SUMMARY

Final-year Bachelor of Computer Applications (BCA) student, expected to graduate in 2027, interested in software development, data analytics, mobile applications, and robotics. Has worked on academic and personal projects involving Flutter/Firebase, web development, IoT, and robotics simulation. Building skills in data handling, analysis, and visualization; seeking an internship to apply technical knowledge to practical problems and continue learning.

EDUCATION

Bachelor of Computer Applications (BCA) | CIMAGE Professional College

Final year | Expected graduation: 2027 | CGPA through 3rd semester: 6.96 4th-semester result: Awaited

Class XII | 61.6% | PCB stream

Class X | 58%

TECHNICAL SKILLS

Programming: Python, C, C++, Java, JavaScript

Web Development: HTML, CSS, JavaScript, Node.js, Express, React

Mobile / Backend: Flutter, Firebase, REST API fundamentals

Databases: SQL, MySQL, MongoDB

Data Analytics: Excel, SQL, Python (Pandas, NumPy), data cleaning, exploratory data analysis (EDA), descriptive statistics, data visualization (Matplotlib, Seaborn), KPI reporting and dashboarding; Power BI/Tableau (learning)

Tools: Git, GitHub, VS Code

Robotics / IoT: Arduino, ESP32, ESP8266, MQTT, CoppeliaSim

PROJECTS

Blood Donor App | Flutter, Firebase

- Worked on a mobile app concept for donor registration, blood requests, and donor search.

AI Health Assistant | Flutter

- Started a Flutter app project exploring an AI-assisted health information experience.

IoT Weather Monitoring System | ESP8266, DHT11

- Worked on a temperature and humidity monitoring setup and explored ways to view sensor readings.

Robotics Simulation | Python, CoppeliaSim

- Connected to a simulated robot and tested wheel-joint movement and robot-control logic.

Portfolio Website | Web Development

- Created portfolio-related web projects and maintains code repositories on GitHub.

CAREER INTERESTS

Data Analyst Intern | Software Developer Intern | Python Developer Intern | Flutter Developer Intern | Web Developer Intern | Robotics / IoT Intern
